Education

Dehradun Institute of Technology University
Bachelor of Computer Applications (BCA) – Pursuing
CGPA: 7.72

July 2023 – June 2026

Relevant Coursework

- Object-Oriented Programming
- Database Management Systems
- Computer Networks
- Data Structures & Algorithms
- Operating Systems
- Web Technologies

Experience

Ekovits Consulting LLP
Software Developer Intern

Jan 2026 – Present
IT Consulting & IT Services

- Working on the development of a full-scale Job Portal application.
- Collaborated with the team to build the complete frontend using React.js.
- Solely responsible for designing and developing the entire backend using Node.js, Express.js, and REST APIs.
- Handling database integration, API architecture, and application workflow.

SSAC Institute
Business Development Executive

June 2026 – Present
EdTech | Skill Development

- Reaching out to prospective students and informing them about relevant courses based on their interests and career goals.
- Handling inbound and outbound communication to understand student requirements and recommend suitable programs.
- Converting leads into enrollments by building rapport, addressing queries, and guiding students through the admission process.
- Contributing to business growth by maintaining consistent follow-ups and achieving conversion targets.

Digital Marketing & SEO Learning Projects

- Created and configured a Meta Ads Traffic Campaign using Meta Ads Manager.
- Designed ad creatives using Canva and optimized ad copy for better engagement.
- Explored audience targeting, placements, campaign objectives, and traffic optimization.
- Performed keyword research and backlink prospecting exercises for SEO learning.
- Published a Medium article documenting the complete campaign setup and learning process.

Business & Marketing Experience

- Promoted IEEE events across multiple colleges through direct outreach.
- Interacted with students and increased participation through communication.
- Created engaging content (reels/posts) for event promotions.
- Developed understanding of audience behavior, targeting, and engagement strategies.
- Gained interest in business development, sales funnels, and conversions.

Projects

SalaryScope

Aug 2025

Next.js, React.js, TypeScript, Node.js, MongoDB, Gemini API

- Built a SaaS-style payroll analytics platform that processes salary PDFs and extracts structured data using Gemini API.
- Implemented backend logic to calculate CTC breakdown, deductions, and monthly take-home salary.
- Designed secure authentication and a responsive dashboard using Tailwind CSS and ShadCN UI.

DSA Buddy – LeetCode Hint Assistant

Jul 2025

JavaScript, Node.js, HTML, CSS

- Developed a Chrome extension that integrates with LeetCode and provides AI-powered contextual hints without revealing solutions.
- Built Node.js-based backend APIs to process problem context and return guided hints for beginner to advanced problems.
- Focused on improving problem-solving skills and DSA understanding through a distraction-free learning experience.

React.js, HTML, CSS, Git

- Contributed to the development of the official Youthopia 2024 website for DIT University's annual fest.
- Developed the About Us section using React.js while ensuring responsiveness and theme consistency.
- Collaborated with the team using Git and GitHub to meet deadlines and deliver a production-ready website.

Meta Ads Campaign & SEO Learning Project

2025

Tools: Meta Ads Manager, Canva, Medium, Excel

- Created a complete Traffic Campaign in Meta Ads Manager to understand campaign structure and audience targeting.
- Designed custom ad creatives using Canva and tested different ad placements.
- Configured campaign settings including budget, traffic destination, CTA buttons, and ad previews.
- Conducted keyword research and backlink prospecting exercises using SEO industry websites.
- Conducted backlink prospecting by identifying relevant industry websites, collecting contact information, and evaluating outreach opportunities for SEO purposes.
- Documented the project and learning outcomes through a published Medium article.
